## **Krafts get another date with Sir Elton**

Try as we might, we couldn't get an invite to **Robert** and **Myra Kraft**'s 45th anniversary party last night at Gillette Stadium. We're told the party featured a performance by Kraft family friend **Elton John** and Boston's own **Eye 2 Eye**. ( Sir Elton also played when Robert and Myra marked 40 years of wedded bliss.) We're told the guest list included **Tom Brady** and girlfriend **Gisele Bundchen**, Pats brain trust **Bill Belichick** and **Scott Pioli**, **Tedy** and **Heidi Bruschi**, venture capitalist **Tom Lee**, Fidelity's **Peter Lynch**, Sovereign Bank CEO **Joe Campanelli**, and Dunkin' Donuts president **Will Kussell**. Sox owner **John Henry** and Celts brass **Wyc Grousbeck** and **Steve Pagliuca** were there but ducked out to make the C's game. Also expected: legal eagle **Bob Popeo**, **Donald Trump**, developer **Bob Beal**, congressman **Ed Markey**, UMass Lowell chancellor **Marty Meehan**, Governor **Deval Patrick**, former Hill Holliday head **Jack Connors**, chef **Ken Oringer**, and Pats alum **John Hannah**.
